

Orange peeler Professional

Description

Fast and easy orange peeling with the triangle orange peeler: It removes the skin of citrus fruits, such as oranges and grapefruits, cuts them into smaller slices or fillets them. It is a multi-functional tool combining a serrated blade, a smooth blade and a canal knife. The notch also works as a canal knife and helps to open the skin without damaging the fruit. The serrated blade is slightly bent to allow removing the skin. Then the straight blade separates the segments. Made in Solingen /Germany. Stainless and dishwasher-safe.
