

Swivel peeler Professional

Description

The triangle swivel peeler is available for right and left hand use and features a sharp stainless steel blade.

The material of the handles, which consists of solid fibre glass reinforced poly-amide plastic, is typical for professional kitchen tools.

Stainless steel and dishwasher safe.

Made in Solingen/Germany

Spare blades available.

Tip: In Germany we traditionally peel towards our body. If you prefer to peel in a motion away from your body, you should purchase the other-handed version of this peeler.
