

Zester Professional

Description

With the help of its sharpened perforations, the triangle zester cuts the finest strips from the peel of citrus fruits.

These zests can be used for flavoring as well as decorating cakes, pastries or dishes. The hardened blade is made of stainless steel and sharpened.

The handle is made of robust, glass fiber-reinforced polyamide, offers a secure grip and is designed for professional use.

Designed for everyday use, for ambitious amateur chefs and professionals. Made of high-quality plastic, with hanging loop.

Stainless and dishwasher-safe.

Made in Solingen / Germany.
