

Melon baller Carving Ø 20 mm

Description

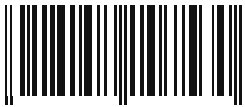

High-grade melon baller, sharpened around the edges, and specially developed for food carving.

The functional parts consist of hardened, stainless steel. They are accurately worked on and perfectly sharpened. The handles are manufactured by a combination of high-quality Polypropylene and slip-proof Santoprene.

Stainless steel, dishwasher-safe.

Dimensions: 14,00 cm * 2,00 cm * 1,70 cm
