

Radish curler

Description

The triangle Radish Curler is indispensable to serve a Bavarian radish "Radi" in style.

It cuts large white radish or Daikon into a thin endless spiral that is then salted and served with pretzels, white sausage and sweet mustard - or simply with a cold beer.

Also great to cut potatoes for Tornado Potatoes, beet or turnips to deep-fry or to garnish salads and buffets.

Stainless steel blade.

Dishwasher-safe.

Dimensions: 19,00 cm * 4,80 cm * 3,50 cm
