

Barbecue Tweezers with silicone tips

Description

Barbecue Tweezers are made to quickly and precisely turn and manage vegetables, prawns and smaller pieces of meat on the grill and in the pan.

The removable silicone tips protect non-stick cookware.

Despite its solid execution the tweezers have little pressure resistance and are very comfortable to work with. They can also be used for serving and plating.

Stainless steel. Dishwasher-safe.

Dimensions: 32,00 cm * 1,20 cm * 1,60 cm
