

Barbecue tweezers

Description

Barbecue Tweezers 35 cm / 14 inch are made to quickly and precisely turn and manage vegetable, prawns and smaller pieces of meat on the grill and in the pan.

Despite its solid execution the tweezers have little pressure resistance and are very comfortable to work with. They can also be used for serving and plating.

Chef's tip: Use a pair of tweezers to roll spaghetti when plating. They will come out as a perfect nest.

Stainless steel. Dishwasher-safe

Dimensions: 35,50 cm * 1,60 cm * 1,20 cm

Made in PK
