

Swivel peeler Sense

Description

Classic SENSE swivel peeler for right-handed or left-handed users for economical peeling of vegetables and fruit with a medium peel thickness.

The high-quality blade can be replaced should it become blunt.

triangle uses regional plum wood for the Sense series, thereby supporting sustainable timber management and short transportation routes. The handles are turned in Sauerland, then finely finished in Solingen and assembled with functional parts made of stainless steel.

Of course, they are manufactured using green electricity. Made in Solingen / Germany.

The SENSE pendulum peeler is supplied in a stylish and reusable gift box.
