

Fine slicer Sense

Description

Extremely fine or medium-thick slices: The triangle fine slicer with endholder creates is infinitely variable. See-through truffle, garlic or parmesan slices or medium-thick potato, cucumber and zucchini slices are perfectly cut. The end-holder serves as a safety guard and assists at cutting the ingredient completely without any waste.

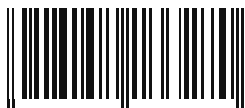

For the sake of nature, the plum wood comes from sustainably managed German orchards. The handles are turned regionally, are finely finished in Solingen and assembled with functional parts made of stainless steel. Of course, eco-electricity is used.

The high-quality blade from hardened stainless German knife steel can be re-sharpened and replaced whenever necessary.

Made in Solingen/ Germany.
