

Pastry wheel Spirit

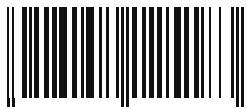

Description

The triangle pastry wheel cuts and decorates rolled-out dough sheets in one go. This turns homemade pies, ravioli, tagliatelle and crackers into special eye-catchers. The Spirit handle is slightly thicker and therefore fits perfectly and effortlessly in the hand. Developed for everyday use, for ambitious amateur chefs and professionals. Made of high-quality plastic, with hanging loop. Stainless and dishwasher-safe. Made in Solingen / Germany. For the sake of the environment: The GreenGrip® used for handles in the Spirit series is a 98% bio-based plastic made from recycled vegetable edible fats and 40% wood fibers.
