

Julienne cutter "extra fine"

Description

The julienne cutter "extra fine" cuts julienne of just 1,5 x 1,5 mm for creative food preparations. The julienne cutter is used as simply as a peeler and creates super thin vegetable straw, vermicelli, vegetable nests and soup vegetables. It is completely made of high-grade stainless steel and features a tempered blade for extreme and long-lasting sharpness. Suitable for all firm vegetables such as carrot, potato, squash, cucumber or beet root. Dishwasher-safe.

Dimensions: 12,50 cm * 6,00 cm * 1,00 cm
