

Wire cheese cutter

Description

The triangle wire cheese cutter cuts whole cheese loafs up to 22cm/8.7" and is suitable for soft to medium cheese.

It minimises contact so that less force is required and no cheese sticks to the cutter.

Made for professional use at Delis and at cheese counters.

Spare wires are available in packs of three.

Stainless steel, dishwasher safe.

Dimensions: 27,70 cm * 25,00 cm * 0,70 cm
