

Mixing spoon Spirit silicone

Description

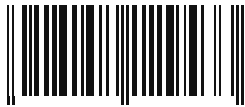

Small households need smaller kitchen utensils, but should not have to settle for less.

The practical triangle silicone kitchen tools leave nothing to be desired. Heat-resistant and supple silicone tops are ideal for stirring, turning and spreading, while the sturdy handles and cores made of solid plastic fit perfectly in the hand and provide plenty of stability.

Heat-resistant and dishwasher-safe

Dimensions: 26,00 cm * 5,50 cm * 1,50 cm

Made in China
