

Tomato & Fruit Huller Spirit

Description

The triangle huller quickly removes unwanted stalks from tomatoes, strawberries and other fruit. If required, the tool also quickly scoops out the insides of tomatoes for stuffing them with cheese, minced meat or other delightful fillings. The tomato huller is also a handy helper when it comes to destalking strawberries, hollowing out other fruit and vegetables or quickly creating small balls of melon and other fruit. Dishwasher safe.

Dimensions: 16,30 cm * 2,50 cm * 1,50 cm
