

Butter curler Spirit

Description

The triangle butter curler creates curls of butter for decorative presentation on buffets or breakfast plates. To achieve butter curls the angled serrated blade is positioned on one end of the butter block and scraped along the surface. For the sake of the environment: The GreenGrip® material used for handles in the Spirit series is a 98% bio-based plastic made from recycled vegetable edible fats and 40% wood fiber. Stainless steel, dishwasher safe. Made in Solingen/Germany. Tip: The butter should be well refrigerated before curling
