

Chestnut knife Spirit

Description

The triangle chestnut knife has a particularly short, curved blade that ensures safety when cutting into the tough shell. The making in Solingen/Germany from high-quality blade steel ensures long durability and sharpness and makes the chestnut knife the ideal tool to use at home and for professional use. The GreenGrip material used for handles in the Spirit series is a 98% bio-based plastic with 40% wood. Stainless and dishwasher-safe. Made in Solingen.
