

Potato holder Sense plum wood

Description

The SENSE jacket potato fork with plum wood handle is something special. It is not only practical, but also impresses with its elegant, slim design, which makes every use a pleasure and also shows style at the table. triangle uses regional plum wood and thus supports a sustainable timber industry and short transportation routes. The handles are turned in Sauerland, then finely finished in Solingen and assembled with functional parts made of stainless steel.

Naturally, they are manufactured using green electricity.

Made in Solingen/Germany.
