

# Spatula Sense

## Description

Flexible spatula with function polished surface. triangle spatulas are hardened and ground thinner towards the tip. Therefore, they are springy and flexible at the functional area but firm and strong at the rear part.

For Sense, triangle uses FSC - certified plum wood from regional orchards, thereby supporting sustainable timber management and short transport routes. The handles are turned regionally, then finely finished in Solingen and assembled with functional parts made of stainless steel. Of course, eco-electricity is used.

The spatula is delivered in a stylish and reusable gift box. Made in Germany
