

Pie knife Sense

Description

The serrated triangle pie knife is a 2-in-one tool for cutting and serving cake.

The blade features one serrated and one smooth edge for cutting cream cakes as well as crusty pies.

For Sense, triangle uses FSC - certified plum wood from regional orchards, thereby supporting sustainable timber management and short transport routes. The handles are turned, then finely finished in Solingen and assembled with functional parts made of stainless steel. Of course, eco-electricity is used.

Delivered in a stylish and reusable gift box.
