

Final Touch Set, 3-piece

Description

The 3-piece set "Final Touch" for the exclusive kitchen, including a tasting spoon with integrated tweezers, a plate decorator and 15 cm precision tweezers.

Check the seasoning of soups and sauces, taste a bit of fried food and finely plate with the same tool and add garnish? All this can be done with the tasting spoon FinalTouch. The just 17 cm long professional tool combines spoon and tweezers in one utensil and is so compact that it permanently finds space in the sleeve pocket of every cooking jacket. The finely ribbed tip of the tweezers ensures a secure hold.

The Plate Decorator is the practical garnishing and decorating tool for stylish and creative plating of gourmet dishes. Its two silicone heads offer a wide variety of surfaces, edges and angles for endless possibilities when spreading sauces and coulis. The versatile garnishing tool is also ideal for cleaning the rim of the plate, shaping purees and for much more. There are no limits for your creativity!

The pointed tweezers with their fine tips are used for arranging and garnishing the finest details. Both tweezers have their own pressure point for fatigue-free work and great feeling. With the Final Touch Set there are no limits!

The tools are made of stainless steel and food-safe silicone. Stainless steel. Dishwasher-safe
