

Cheese Set Sense, 2 pcs

Description

Ideal as a gift and for true cheese lovers. The two-piece cheese set Sense including a triangle cheese knife Sense and triangle cheese cutter Sense.

An indispensable cheese tool: The triangle cheese knife Sense features a thin, serrated blade with cut-outs to prevent cheese from sticking to the blade. The two tips of the blade serve as a serving fork.

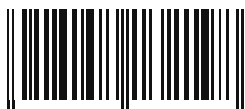

The cheese slicer Sense features two wires with different distances to the center rod for different thick cheese slices (3mm/0.12 and 5mm/0.2?) and a serving tip to arrange the cheese slices. The tension of the wire can be readjusted if necessary. The wires are also available as spare parts.

For Sense, triangle uses FSC - certified plum wood from regional orchards, thereby supporting sustainable timber management and short transport routes. The handles are turned, then finely finished in Solingen and assembled with functional parts made of stainless steel. Of course, eco-electricity is used.

Delivered in a stylish and reusable gift box.
