

Cutter Set "Letters"

Description

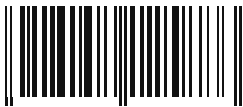

The carving tool set Basic is the perfect way to get started in the art of fruit and vegetable carving.

It contains the three carving tools M, A2, and E2, which allow you to learn basic carving techniques. Since the quality of the tool has a considerable effect on how much you enjoy and how successful you are at carving, all triangle carving tools are made from hardened stainless steel and are perfectly sharpened. The grip is made from a non-slip material to ensure safe handling.

Stainless steel, dishwasher safe.
