

Sculpting set "Villafane Studios", 6-piece

Description

6-piece sculpting set „Villafane Studios in nylon roll bag for sculpting and carving pumpkin, sweet potato or chocolate.

The set contains 1 paring knife and 5 special designed tools developed in close cooperation with renowned US-American pumpkin artist Ray Villafane. Due to a special manufacturing technology the loops are firmly connected to the handle to resist even pulling motions.

With non-slip Santoprene handles.

Hardened stainless steel, dishwasher-safe.

Dimensions: 20,00 cm * 10,00 cm * 3,50 cm
