

Tomato peeler Spirit

Description

Swivel peeler with super sharp blades and ergonomic handle. Due to its very thin peeling thickness it is very economic and a maximum of nutrients are retained.

The straight-blade version is the perfect everyday peeler for potatoes, carrots, apples and much more.

The vertical peeler with serrated blade peels difficult fruit and vegetables thinly and sparingly. It is particularly suitable for smooth and fine peelings such as tomatoes, peppers or mango as well as pressure-sensitive fruit such as peaches.

The double blades are sharpened on both sides so peeling in both directions is possible. Suitable for left- and right-hand use.

Dishwasher-safe. Made in Solingen/Germany
