

Mini Tea Strainer ThreeSnow

Description

This small , deep tea strainer is produced by Three Snow, the Japanese specialist for high-quality strainers.

The very fine 30-mesh structure (wires per inch) offers exceptional straining performance and retains all particles.

The deep shape allows tea leaves to float freely and to develop their full aroma. Suitable to brew tea directly in the cup or tea pot.

The flat bottom allows it to stand and to clean out tea leaves easily.

The stainless steel wire mesh is fully enclosed by the frame, making the strainer extremely durable and easy to clean in a hygienic manner.

With option to hang the strainer.

Diameter 6,5 cm without handle, height 5 cm.

Made entirely from 18/8 stainless steel, dishwasher safe, and manufactured in Japan.

Dimensions: 11,50 cm * 6,50 cm * 6,50 cm
