

# Food Scoop

## Description

With the triangle food scoop, vegetables and other ingredients can be moved quickly and easily from the chopping board to the pan, pot or bowl.

The ergonomically curved stainless-steel blade has a thin ground edge and glides easily under food, while the large surface makes it very efficient.

The design-oriented and refined look with a steamed cherry wood handle makes it a beautiful and indispensable tool for every kitchen.

Developed, designed, and manufactured in Germany using regionally sourced raw materials.

Made of stainless steel 18/0 (DIN 1.4016) and steamed cherry wood. Hand cleaning is recommended.

Delivered in a gift box.
